

SUCCESS
COMES TO
KIDS WHO
WAIT
TO HAVE
SEX.

Mom / Dad,

I need you to be...

MY TEACHER, to gain the
knowledge I will need in life.

MY ADVISER, who will listen
and guide me when I need to
make wise choices.

MY BEST FRIEND, to walk
together on the path of
success.

THE BEST EXAMPLE, of how
life should be lived.

Because the best lessons for
life are taught at home.

Parents Speak Up

In an effort to help parents talk to their children early and often about waiting to have sex, the U.S. Department of Health and Human Services (HHS) has launched the Parents Speak Up National Campaign. The campaign empowers parents by providing them the tools necessary to effectively communicate the benefits of abstinence until marriage.
