

Give your child another  
four-letter word for sex.

Wait.

SUCCESS  
COMES TO  
KIDS WHO  
**WAIT**  
TO HAVE  
**SEX.**

Talk with your kids early and often. Tell them you want them to wait until they're married to have sex. So they'll have a better chance at success, whether that means getting an education, having a career, or just being happy.
